# TOGETHER WITHOUT LIMITS

We don't just offer semi-trailers for hire; we create solutions that go far **BEYOND**.

We believe in meaningful relationships, working as one team alongside our customers.

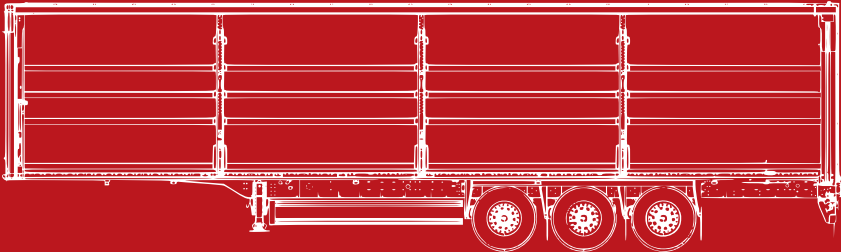

**G-Rental** was created to deliver that added value of collaboration: **"success has no limits."**

## SOLUTIONS THAT GO **BEYOND**

**KEY PARAMETERS:**

- Optimised structure with a high-strength steel chassis.
- Reduced unladen weight, maximising payload capacity.
- High durability proven by technical studies and testing.
- Lower fuel consumption thanks to its efficient design.
- Capability to transport heavy loads safely and reliably.
- Modern design with a refined and functional aesthetic.

# PREMIUM SUPPORT

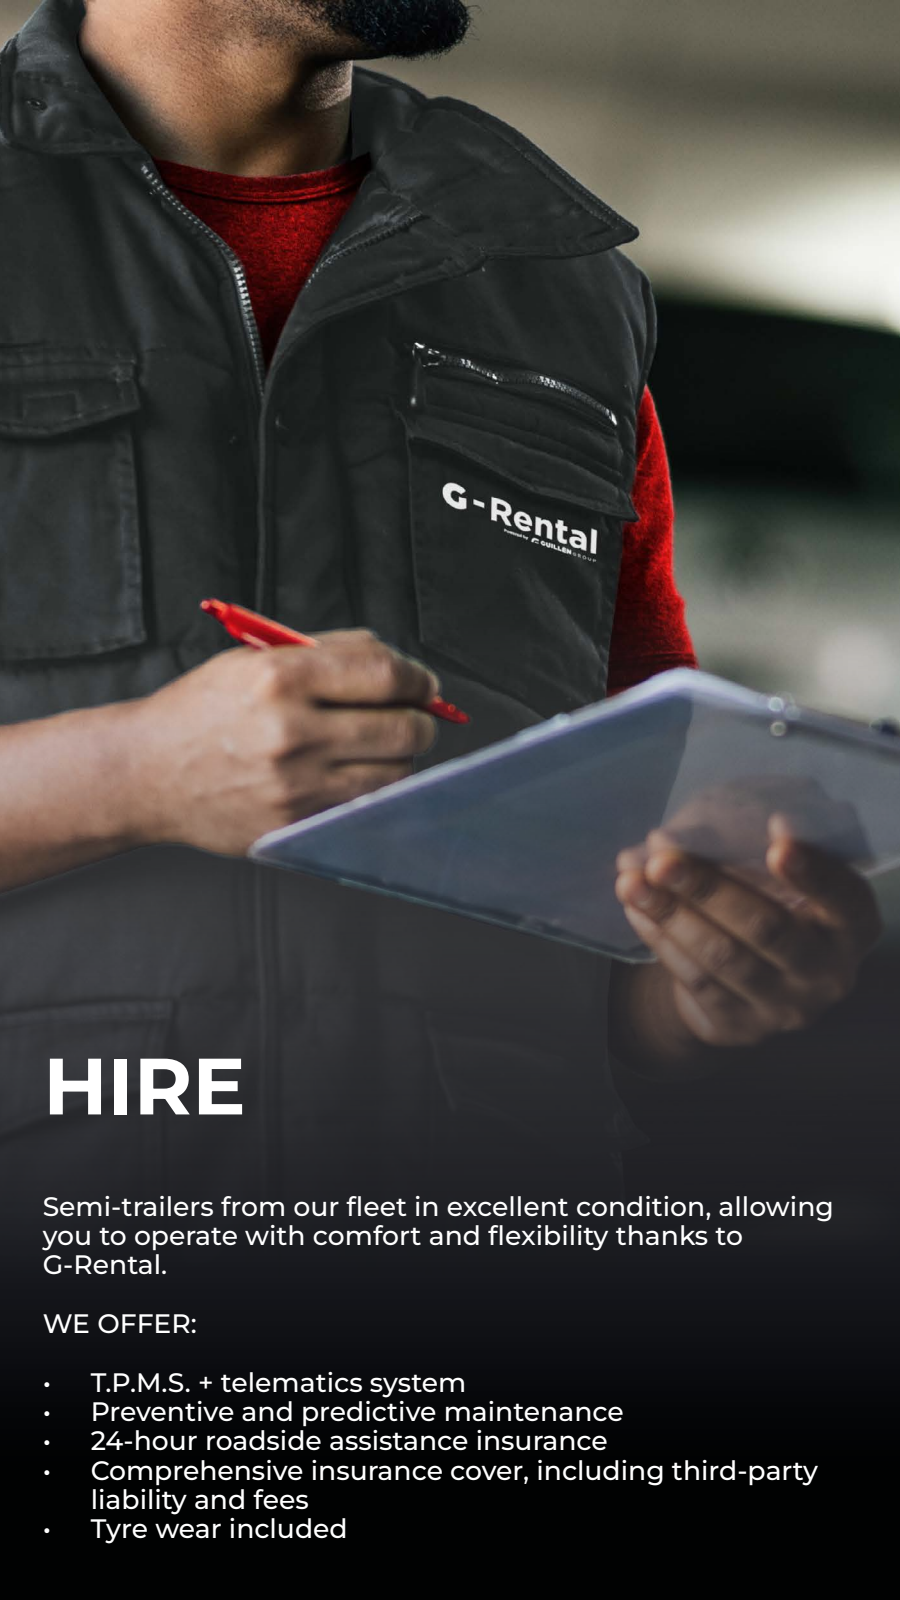

# 01

Each unit in our fleet combines attractive design, high quality and cutting-edge technology. Hot-dip galvanising not only respects the environment, but also protects the load, ensuring it arrives in perfect condition, free from corrosion and with an impeccable appearance for your brand.

We treat every consignment as our own and, thanks to rigorous preventive and predictive maintenance, we minimise downtime, improving efficiency and profitability on every journey.

All of this is backed by G-Rental's commitment to providing a close, reliable and personalised service.

# HIRE

Semi-trailers from our fleet in excellent condition, allowing you to operate with comfort and flexibility thanks to G-Rental.

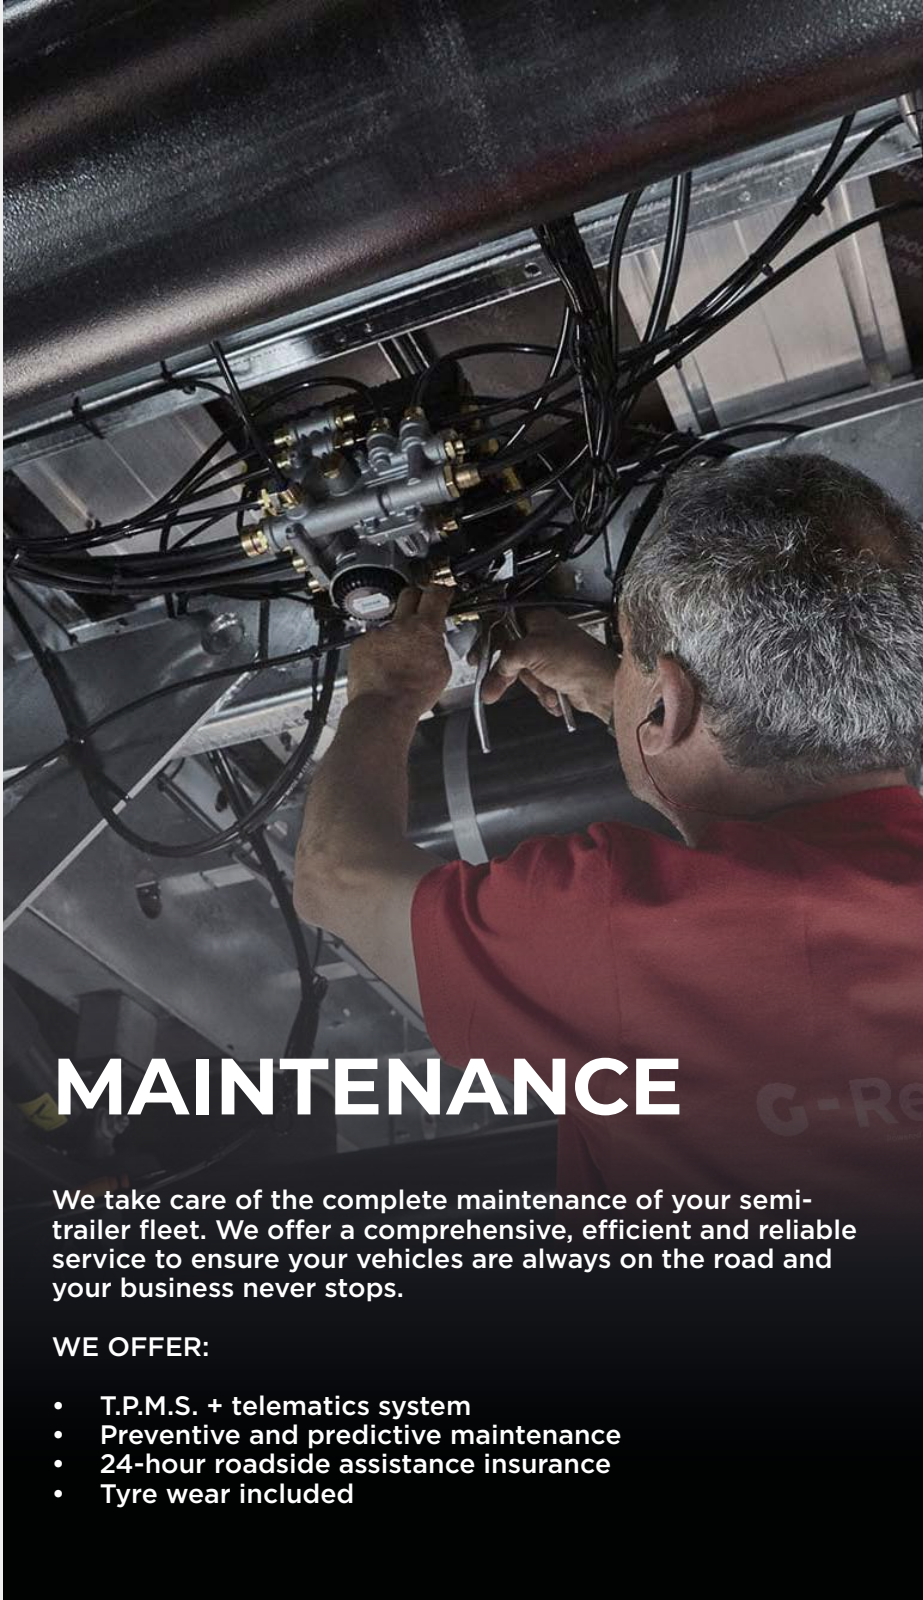

- WE OFFER:
- T.P.M.S. + telematics system
  - Preventive and predictive maintenance
  - 24-hour roadside assistance insurance
  - Comprehensive insurance cover, including third-party liability and fees
  - Tyre wear included

# RENTING

With our semi-trailer rental solutions, you benefit from a long-term contract that provides stability.

- WE OFFER:
- Flexibility
  - Maximum semi-trailer quality
  - Customisation
  - Comprehensive insurance cover, including third-party liability, with optional roadside assistance service
  - Optional preventive and predictive maintenance
  - Optional purchase at the end of the contract

# MAINTENANCE

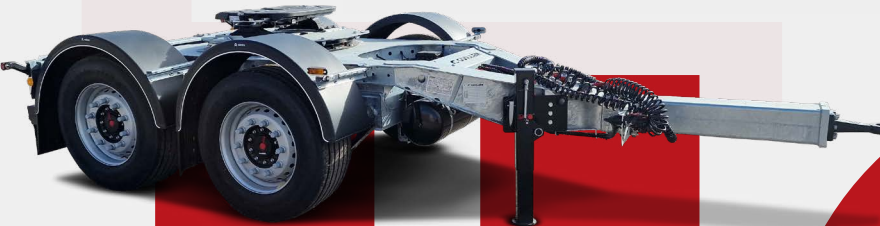

We take care of the complete maintenance of your semi-trailer fleet. We offer a comprehensive, efficient and reliable service to ensure your vehicles are always on the road and your business never stops.

- WE OFFER:
- T.P.M.S. + telematics system
  - Preventive and predictive maintenance
  - 24-hour roadside assistance insurance
  - Tyre wear included

# BEYOND

It represents going “**Beyond**”, transcending and overcoming

We go beyond the standard concept of customer service, constantly challenging and exceeding expectations. From the very first contact, customers expect an efficient and reliable service — but when choosing **G-Rental**, they discover a level of care that goes far beyond what is expected: administrative management, preventive and predictive maintenance, and the full support of our entire team.

This approach not only meets expectations, it exceeds them, creating a unique experience that strengthens collaboration.

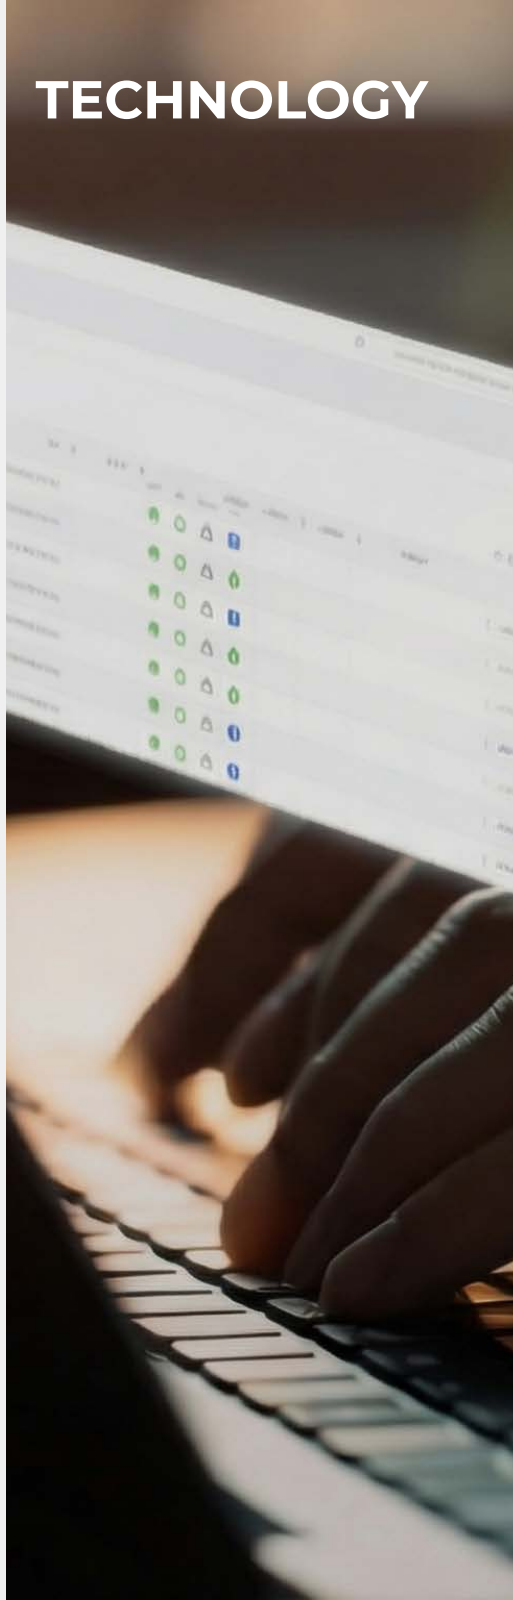

**Beyond is not just a slogan; it is our firm commitment to building a partnership with every customer that goes beyond the expected horizon in every interaction.**

OF A GROUP

THE BEST **SOLUTIONS**  
FOR **LOGISTICS**

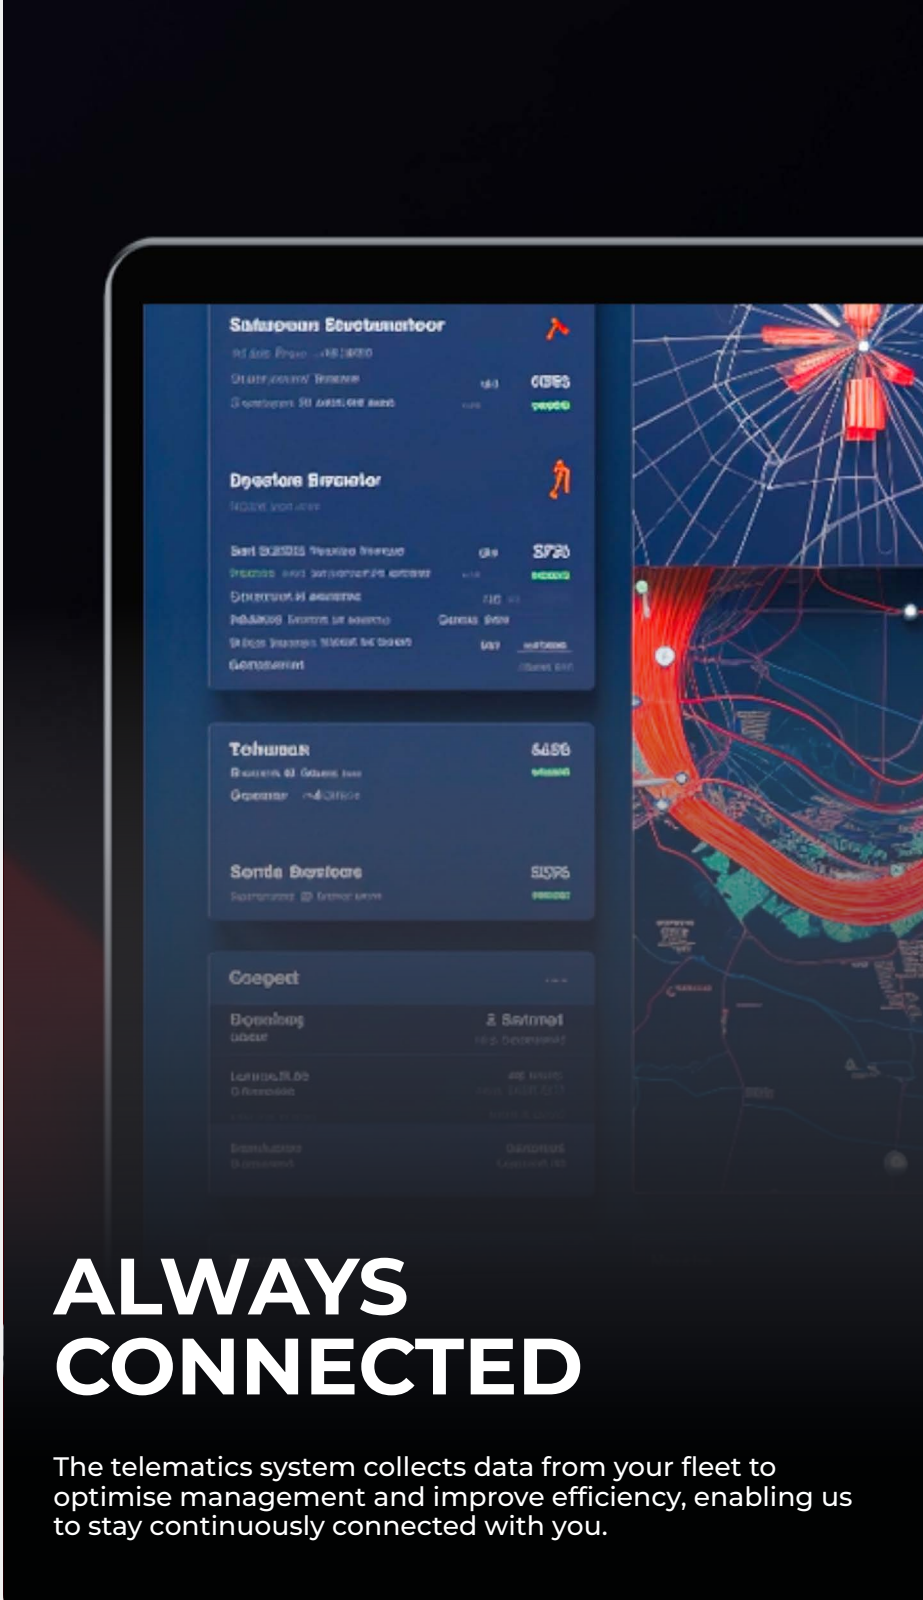

Aberg is more than a semi-trailer rental and maintenance service – we are your partner on the road.

05

**ALWAYS  
BY YOUR SIDE**

With Aberg, your fleet benefits from access to a network of workshops at both national and international level, ensuring we are by your side wherever you need us.

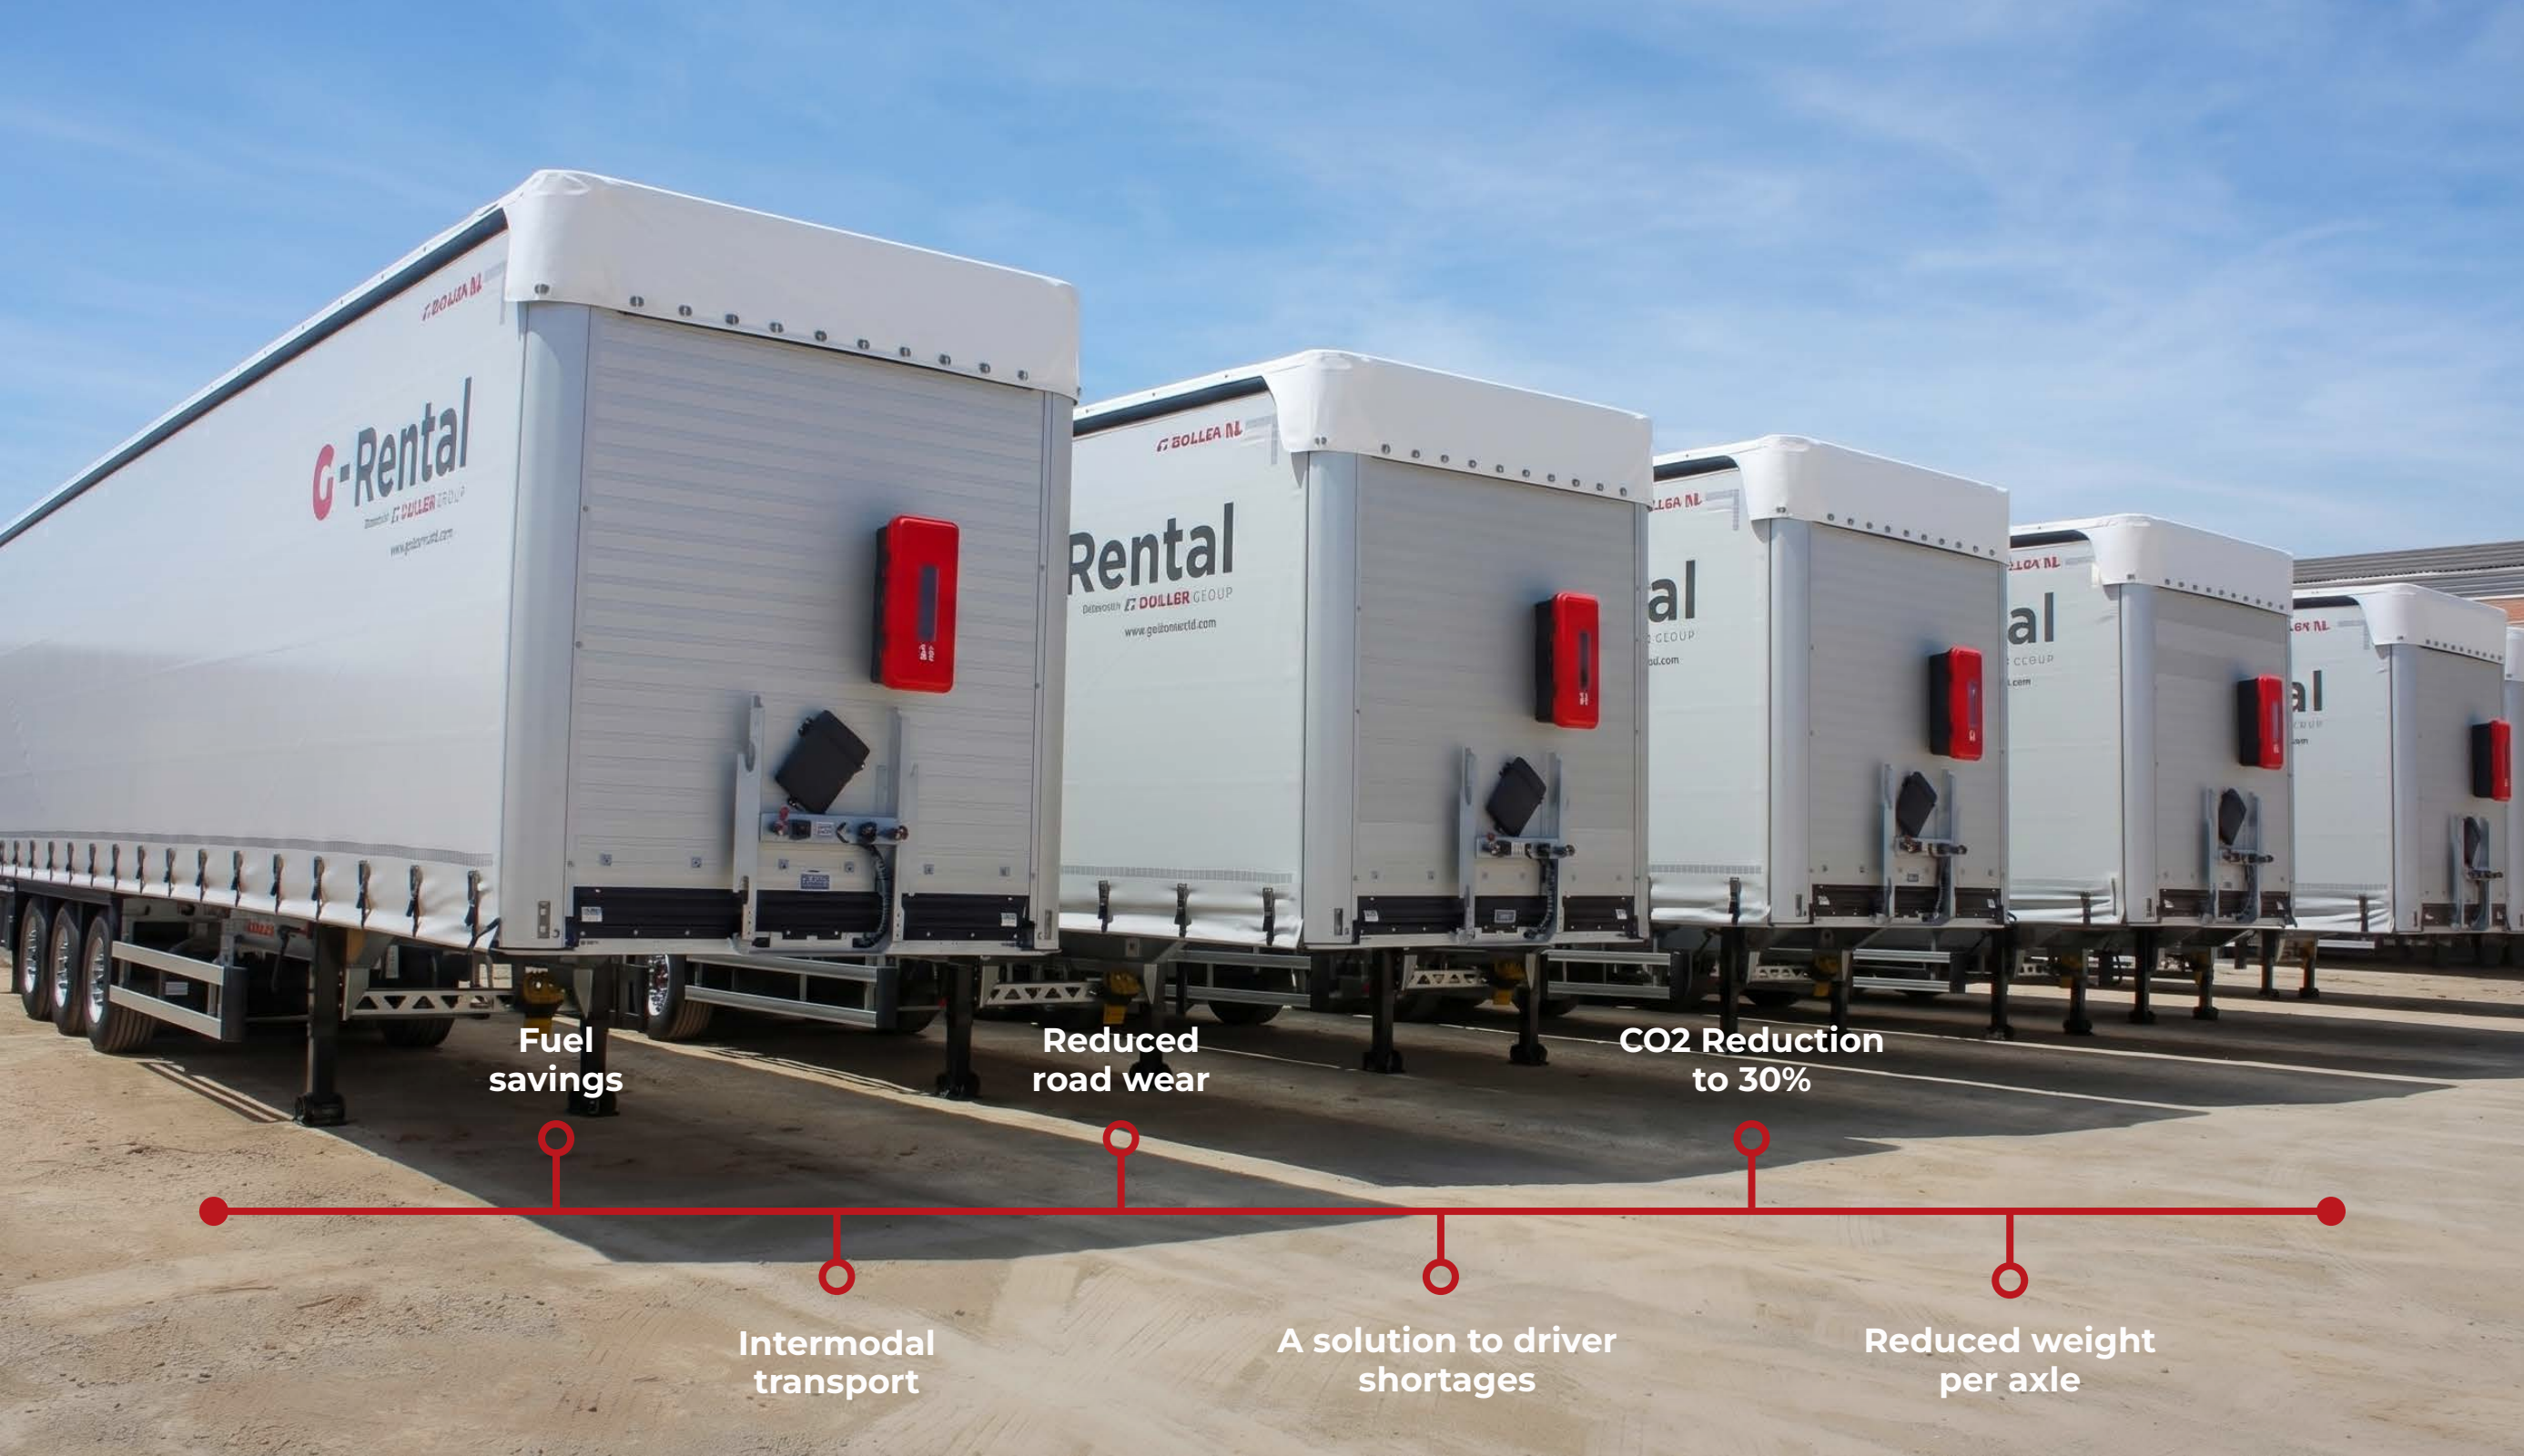

**ALWAYS  
CONNECTED**

The telematics system collects data from your fleet to optimise management and improve efficiency, enabling us to stay continuously connected with you.

**ALWAYS  
PREPARED**

The telematics system monitors your fleet in real time, anticipating potential issues and keeping us always prepared.
